Work Session Agenda

SUNDAY, AUGUST 18, 2024, 2:40 AM

BOCC Meeting Room, 1st Floor

530 E Main St, Aspen, CO 81611

A work-session agenda is structured to give the Board of Commissioners an opportunity to touch base with each other, staff, and invited community members and organizations to discuss an work through issues the County is facing, but not ready to take official action on at a regular board meeting. Work sessions are open to the public (with exception of executive session). However, public input is typically not taken during a work session unless specifically asked for by the Board.

Staff/Community Presentations

This is time set aside for staff and community partners to formally present community or organizational issues that may lead to future Board action.

Upcoming Regular Meeting Items

This portion of the agenda is intended to: 1) Provide the Board and Staff an opportunity to discuss items that will come before the Board and public for formal adoption at a future Regular Meeting/Public Hearing, 2) To review the calendar of business for future Board Work Sessions and Regular Meetings
