

**Board of County Commissioners
Work Session Agenda**

**WEDNESDAY, MARCH 18, 2026, 8:00 AM
Aspen Center for Environmental Studies - Hallam Lake
100 Puppy Smith St., Aspen, CO 81611**

A work-session agenda is structured to give the Board of Commissioners an opportunity to touch base with each other, and invited community members and organizations to discuss and work through issues the County is facing, but not ready to take official action on at a regular board meeting. Work sessions are open to the public (with exception of executive session). However, public input is typically not taken during a work session unless specifically asked for by the Board.
